Section 1 – File authorisation

File Authorisation: ☐ Manual Authorisation ☐ Automated Authorisation

Note:

Manual Authorisation is the default state for CommBiz Automated for file authorisation where you will log into CommBiz and authorise payments after payment files are delivered from your ERP software.

Automated Authorisation enables payment files to be imported, approved and released for processing without the need for further manual approval by your staff within CommBiz. Please discuss with your relationship team and implementation manager for suitability of Automated Authorisation.

File Authorisation is set at a service level. Hence the file authorisation selected will be applied to all payment methods.

Please refer to Section 5 of CommBiz Terms and Conditions for more information on CommBiz Automated.

Section 2 – Receivables Reporting

Note:

Your Implementation Manager will assist you in setting up the appropriate reporting formats for your CommBiz Automated solution.

If you remove an account from your CommBiz Service, the account will no longer be available to use in the CommBiz Automated Channel. Any data feed reports for the account will also be unsubscribed within 60 days of removal of the account from your CommBiz Service.

Section 4 – Connect to CommBiz Automated using SAP MBC

1. Notwithstanding any other provision of this form, I/we acknowledge and provide consent to the Bank disclosing, storing, transferring and making accessible Customer Data in connection with the MBC Agreement, which I/we acknowledge and agree:
 - a. is required in order for the Bank to provide the service to me/us; and
 - b. in doing so:
 - A. SAP Australia Pty Ltd (SAP), SAP SE, or their Affiliates may create analyses utilising, in part, Customer Data and information derived from the Bank's use of the Cloud Service, which includes I/We data (SAP Analyses); and
 - B. SAP Analyses will anonymise and aggregate information, and will be treated as Cloud Materials. Examples of how SAP Analyses may be used include: optimising resources and support; research and development; automated processes that enable continuous improvement, performance optimisation and development of new SAP products and services; verification of security and data integrity; internal demand planning; and data products such as industry trends and developments, indices, and anonymous benchmarking.
2. For the purposes of this Section:
 - a. Affiliate of a party means any legal entity in which a party, directly or indirectly, holds more than fifty percent (50%) of the entity's shares or voting rights. Any legal entity will be considered an Affiliate as long as that interest is maintained.
 - b. Cloud Materials mean any materials provided or developed by SAP (independently or with Bank's cooperation) in the course of performance under the MBC Agreement, including in the delivery of any support or professional services to the Bank.
 - c. Cloud Service means any distinct, subscription-based, hosted, supported and operated on-demand solution provided by SAP under the MBC Agreement.
 - d. Customer Data means any content, materials, data and information that the Bank enters into the production system of a Cloud Service or that the Bank derives from its use of and stores in the Cloud Service (e.g. Bank-specific reports).
 - e. MBC Agreement means the agreement between SAP and the Bank titled "Order Form for SAP Cloud Services SAP Reference No. 3061679104" dated 24 September 2021.
 - f. SAP SE means SAP SE, the parent company of SAP.

Section 5 – Declaration and Authority

I/We can confirm the information held within this form is correct and provide approval for the above accounts and services to be set up on the CommBiz Automated Channel

I/We acknowledge and provide consent for the Bank to share information, reports or data ("Data") with your or our third party service providers ("Recipients") in connection with the service and to the following:

- a. by signing below, I/We acknowledge that my/our personal information may be collected, stored, used and disclosed by the Recipients in accordance with their privacy policies;
- b. that it is the Recipients' responsibility to keep any logon identity and passwords secure which the Bank provides to them;
- c. that the Bank will not be liable to anyone relying on the Data, or for any failure to provide the Data;
- d. that the Bank may decide in its sole discretion, on any grounds it reasonably thinks fit and, without rendering the Bank, the Recipients, and/or its service providers liable in any way, to discontinue the provision of the Data to the Recipients and their service providers pursuant to this authority by written notice or on no notice where that is reasonable;
- e. that the Bank may vary the terms and conditions under which it supplies Data by written notice to me/us;
- f. that the liability (if any) of the Bank, the Recipients, and/or their service provider arising out of this authority is several and that neither party is jointly liable for the actions, omissions, fraud, or negligence of each other; and
- g. that the Bank, Recipients and/or their service providers, liability for the breach of any warranty implied by the Australian Consumer Law or any other relevant legislation in supplying the Data will be, to the extent permitted by law, limited to supplying the services again, or the payment of the cost of having the services supplied again, the choice to be at the option of the Bank, Recipients and/or their service providers as applicable.
- h. that you authorise your ERP/Accounting Software/third party service provider's support team to raise queries with, and provide instructions to, the Bank with respect to the service, including performing any technical activities related to connectivity and file delivery.
